

Hand wash

ENDURE 101

Non medicated general purpose hand wash

Hand hygiene is an integral part of any infection control program and should be accessible in all areas for all health care workers, patients and visitors.

When not dealing with a known infection the use of non medicated skin washes is encouraged.

Endure 101 has been formulated for general purpose hand washing applications.

Endure 101 is packaged in a hermetically sealed bag and box system for easy dispensing through our attractive lotion dispenser.

ENDURE 101

Non medicated general purpose hand wash

DESCRIPTION

Endure 101 provides rich, moisturising lather that removes stubborn dirt while leaving hands fresh and soft, for everyday general cleaning of hands. **Endure 101** is latex and soap free.

PRESENTATION

Attractive Appearance, Pleasant Fragrance

Pink, pearlescent appearance and fresh fragrance makes **Endure 101** an excellent choice for patient restrooms.

Product Use Control

Usage is controlled with **Endure 101** unique dispensing meter. An amount of 1ml, appropriate for proper thorough hand washing, is consistently dispensed with each push of the lever.

Unique dispensing

Endure 101 is available in a sealed pouch. The sealed pouch refill system saves time and eliminates waste and spillage. When product is low, simply insert a new refill cartridge. The attractive and functional dispenser complements any hand washing location.

DIRECTIONS FOR USE

1. Wet hands with warm water.
2. Apply **Endure 101** and lather.
3. Rinse hands with warm water.
4. Dry hands on clean paper towels or with a mechanical dryer.
