

Hair and body wash

ENDURE 203

Non-medicated pH 5.5 hair and body wash

Personal hygiene for patients is an important part of maintaining self esteem while undergoing treatment.

Personal hygiene is also paramount in minimising skin infections.

Endure 203 is a pH 5.5 mild formulation that is suitable for all over hair and body washing. It is specially formulated for fragile and elderly skin types.

Endure 203 is packaged in two formats. The bottle format is portable and convenient, while the hermetically sealed bag provides a tamper proof solution.

ENDURE 203

Non-Medicated pH 5.5 hair and body wash

DESCRIPTION

Endure 203 is designed for self application by patients and provides a mild, rich, moisturising lather. Carefully blended with skin care emollients to leave skin and hair feeling fresh, smooth and soft. **Endure 203** is latex and soap free.

PRESENTATION

Attractive Appearance, Pleasant Fragrance

White, pearlescent appearance, high foaming, free rinsing and fresh cosmetic fragrance makes **Endure 203** an excellent choice for hair and body washing.

New Enriched Formulation

A rich formulation containing Vitamin E, Aloe Vera and cosmetic emollients.

Two options for dispensing

Endure 203 is available in two dispensing options; a sealed pouch and a 500mL pump pack bottle. The sealed pouch refill system saves time and eliminates waste and spillage. When product is low, simply insert a new refill cartridge. The 500mL bottles are a convenient and portable way keep hands clean.

DIRECTIONS FOR USE

1. Pre-wet skin and apply a sufficient amount to generate lather.
2. Massage over the body.
3. Apply and gently rub into hair and scalp.
4. Rinse thoroughly with clean water and dry.
